

During your time in NYC, you will be commuting to campus in the Upper East Side from your student housing in Midtown East.

MetroCards

As a part of the NYC Scholars Program, you will be given a MetroCard or transit credit to your student account for the commute to and from campus. This card/credit will be unlimited for the duration of the program and can be used on all subway lines and buses.

Tips & Considerations

- ▶ Be aware of your surroundings
- ▶ Stand on the right side of the escalator, walk on the left
- ▶ Have your card or tap-to-pay ready before getting to the turnstile
- ▶ Trains may fill up quickly during rush hour and the weekends
- ▶ Give yourself enough commute time to account for missing the train or being unable to join a full train
